Arrival and departure

The first lecture at the conference will start in the morning on Monday, July 22nd, and the last one will conclude in the afternoon on Friday, July 26th. Therefore, it is recommended to plan your arrival on Sunday, July 21st, and departure on Saturday, July 27th.

Local currency

The official currency used in Serbia is the Serbian Dinar (RSD). It's not possible to pay bills with any other currency at the vast majority of places. In the city center (where the conference is being held), there are numerous exchange offices where you can exchange money. On average, 1 EUR is equal to 117.2 RSD.

Transportation in the city

If you choose to travel by public transport you need to install an application “[Beograd Plus](#)”. Application can be used to see the nearest station to your location and approximately when the bus is going to arrive at the station you are at. To use the application you need to insert your bank card. Another option is to buy a serbian phone number and use the SMS code that is listed at every station and in the public transport.
